

AMITA

Filtri di aspirazione con manicotto in PA / Suction screens with PA coupling

Modello / Model
AMITA

Materiale / Material
Aisi 304

DN
8 - 100

Caratteristiche tecniche / Construction features

- Connessione filettata gas maschio secondo / Threaded end gas male UNI ISO 228/1
- Grado di filtrazione / Filtration 1000 μ fino a/ up to 2" 1200 μ da/from 2"1/2
- Temperatura d'esercizio / Working temperature max 90°

Componenti e materiali / Components and materials

Rete / Net-filter	Acciaio Inox Aisi 304 / SS Aisi 304
Raccordo maschio / Male coupling	PA (nylon)
